

## Matching Aptar Site Naming Convention Across Multiple Metric and Reporting Systems

All of our manufacturing facilities report sustainability metrics through an online collection system. This system uses slightly different naming conventions than the systems used to collect data for the annual report, as illustrated in the reference table below.

Segment	Sustainability Region	Country	Site name used in 2018 SAP BI – Sustainability Module	Site name used in 2018 EHStar Module	Site name used in 2018 SAP BI – Safety Module	Site name used on 2018 HR Regional Spreadsheets	Site name use in 2018 Annual Report	Site name use in 2017 Annual Report
